- All Youth bowling leagues, with the exception of bumper leagues, will be certified with the United States Bowling Congress. Certification fees are a one time yearly fee of \$12.00 per bowler, which enables youth bowlers to earn local awards and participate in local and state tournaments and scholarship tournaments. This season the certification fees are being paid by the Bay Area USBC. We would like to thank them for their support of Youth Bowling.

Saturday leagues start Sept. 7th thru January 11th due to the Michigan State Open Tournament at Monitor Lanes
Thursday leagues start Sept. 12th and bowl into April.

SIGN UP TODAY FOR ANOTHER GREAT SEASON!

Youth bowlers ages 5 to 8 are invited to participate in a league with “bumpers” which help prevent gutterballs, and will bowl non-competitively. Parents are encouraged to accompany children. Bumper bowlers pay \$8.00 each week, bowl 2 games and receive an award with their High Series and High Game at the season ending pizza party.

Youth bowlers ages 7 to 18 will be certified by the United States Bowling Congress - Youth Division, which enables them to win local awards and participate in local and state tournaments. Youth bowlers pay \$9.50 each week, bowl 3 games competitively and are eligible for team and individual awards. Awards are given for 1st and 2nd place teams, Hi Average, Hi Series, Hi Game, both Actual and Handicap in three different age divisions. All bowlers receive an award with their Hi Series and Hi Game at the season ending pizza party. Registration / Certification fees are being paid by the Bay Area USBC.
